BREATHALYSER® PLUS*

imRex

Drinking water additive for dogs and cats

*Helps Fight Plaque**

New enhanced formula!

BreathaLysér Plus is a pleasant-tasting animal care cosmetic solution, formulated by veterinarians to help maintain oral hygiene & decrease your pet's bad breath. Unlike direct application products, it is simply added to the drinking water. This enhanced formula provides additional protection against the causes of bad breath without the need for brushing teeth.

Safe & effective for dogs & cats.

Warning: Keep out of reach children. Not intended for human consumption. Store at room temperature. As with all animal care product, please store the concentrated solution out of reach of children and all pets.

Directions:

Use BreathaLysér Plus treated-water on a continual basis for best results.

Large Dog Breeds:

Add 2 capfuls to at least 1 quart of drinking water daily (10 mL per L).

Small Dog Breeds & Cats:

Add 1 capful to a minimum of 1 pint of water (5 mL per 500 mL).

Mix fresh **BreathaLyser Plus** solution daily & discard any solution not consumed within 24 hours. Provide supplemental fresh non-treated drinking water if required.

Ingredients: Purified water, Glycerine, Xylitol, Polysorbate 20, Potassium sorbate, Emulgase (enzyme), Zinc gluconate, Sodium benzoate, FD&C Blue No. 1 and Chlorhexidine gluconate
