

LAXATONE FOR CATS

Hairball Preventative & Removal

Tomlyn

Lubricant for the elimination and prevention of hairballs

SIMPLY THE BEST!

Veterinarian Recommended

Great-Tasting Gel

Trusted by Pet Owners Worldwide

Help eliminate and prevent hairballs in your cat with **Laxatone** the veterinarian recommended lubricant with the taste cats love - and the #1-selling hairball remover, trusted by pet owners worldwide for over 25 years.

DIRECTIONS

Place a small amount of **Laxatone** on your cat's nose to stimulate taste interest.

Dosage:

For hairballs: 1/2 - 1 tsp for 2-3 days then 1/4-1/2 tsp, 2-3 times a week.

Ingredients

White petrolatum USP, light mineral oil NF, corn syrup, malt syrup, soybean oil, cane molasses, water, gelatin by-products, sodium benzoate (preservative), artificial flavors.

FOR ANIMAL USE ONLY.

KEEP OUT OF REACH OF CHILDREN AND PETS.

Store in a cool place.
