**Inactive Ingredients:** brewers yeast, chicken liver flavor, stearic acid, silicon dioxide.

**Caution:** Safe use in pregnant animals or animals intended for breeding has not been proven.

Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

**For use in dogs only.**

**Vetri-Probiotic BD™** is recommended for dogs whose digestive and bowel functions are affected by food sensitivities or infiltration of unwanted bacteria. This formula is designed to soothe the digestive tract lining and provide ingredients that support proper immune function and microbial balance.

**Directions for Use: Initial (4 weeks):**

Dogs under 12 lbs: 1 tablet daily.

Dogs: 2 tablets per 25 lbs of body weight, daily.

**Maintenance:**

Dogs under 12 lbs: 1/2 tablet daily.

Dogs: 1 tablet per 25 lbs of body weight, daily.

**Warnings:**

For animal use only.

Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.

**Store in a cool, dry place.**
